top international contractors

2008

Based on Contracting Revenue from
Projects Outside Home Country

HOW TO USE THE TABLES

Companies are ranked according to construction revenue generated outside of each company's home country in 2007 in U.S. \$ millions. Firms not ranked last year are designated **. Some markets may not add up to 100% due to omission of "other" miscellaneous market category and rounding. NA=Not available. †=Includes revenue of subsidiaries.
