## Where To Find The Top 200 2011

Text size: **A** **A**

The Top 200 International Design Firms list, published annually in July, ranks the 200 largest world designs firms, both publicly and privately held, based on design-specific export revenue—generated from projects outside each firm's respective home country.

The table below shows only rankings and firm name. For complete data from the Top International Design Firms list see the following links.

More detailed information on the Top 200 International Design Firms:
